Cup Matches

All these reports are from our 2009/10 season Cup matches. The latest match appears first. To search the reports using keywords do a Cntrl-F and your browser should bring up a search facility. If it does not, change your browser!

Lucton Cup- SemiFinal. 29 April.

Harper Adams College 20 - Llandrindod Wells 7

Llandrindod really had no answer to a fast and skilful College side, and spent most of the match in their own half, defending furiously. Their only score came from an interception try by Jonathan Duggan, conversion by Mathew Fletcher,

On Saturday Llandrindod play their last League match this season, away against Glyncoch. Harper Adams go on to play Builth Wells 2nds in the Final of the Cup this Wednesday.

Lucton Cup-Tuesday 23/3/10

Hereford 3 - Llandrindod Wells 9

Llandrindod went through to the next round with a hard fought win against Hereford in the rain at Luctonians. Four penalties being the total sum of everyone's efforts over 80 minutes does not seem a very great reward but this was a fascinating match as Llandrindod, putting to good use some of the acquired knowledge from their presence in Division 6 (Central), matched their opponents and, in the second half, spent large portions of their time in Hereford territory .

Two penalties from Llandrindod's Mathew Fletcher, and one from Hereford's Matt Milson, in the first half, and another Fletcher penalty in the second, saw the Welsh side though to a meeting in a fortnight's time against the winners of the Harper Adams College v Luctonians tie. This Saturday, Llandrindod travel to Cardiff

to play Clwb Rygbi in the League

Swalec Bowl- Round 2

Beaufort 47- Llandrindod Wells 20

Llandrindod beat this side in the second round of the Worthington Cup last year but there was not to be a repeat this year.

This was not dour, ground-out Cup match. Instead, spectators were treated to an eight try, fast-moving and committed game, with Beaufort nudging ahead in the try count, but completely eclipsing Llandrindod in the kicking with No. 10 Dylan Smith taking full advantage of Llandrindod's errors to kick 4 penalties and to convert all of their 5 tries, a haul of 22 points, essentially the points difference between the teams.

The sides were fairly evenly matched in the forwards though Llandrindod did have problems in the set pieces. It was in the backs that the difference in the sides was most apparent, though not overwhelmingly so. Experience counted here, and Llandrindod are still on a learning curve. Â

Llandrindod started the match slowly and it was not long before Smith had his side's first points on the board with a penalty. However, it was Llandrindod who scored the first try. A break from scrum-half Dale Wilson, a neat pass to hooker Phil Morgan, and he was over in the corner after 10 metres. Beaufort then took the lead with a Mike Vaughan try, converted by Smith, another Smith penalty and a try from Mathew Ballard, converted by Smith, gave them a dominance at the break, with Llandrindod's sole reply after their try being a Justin Lewis penalty.

Beaufort increased their lead early on in the second half with another Smith penalty but Llandrindod fought back when No.8 Gareth Kinsey took a short pass to score but further quick tries from Beaufort by Elwyn Morgan and Geraint Philips cancelled out any real advantage for the visitors.

Kinsey was in the news again when he wrong-footed the Beaufort defence to touch down under the posts, Lewis converting. Another try for Beaufort, Morgan's second, and yet another penalty for Smith wrapped up the match and Beaufort now go in to the next round.

Llandrindod have no game this weekend due to the International against New Zealand. Their next League game is away against Caerau Ely on 14 November.
